Message from Head of School

Friday 16th May 2025

Dear Parents and Carers,

This week, our Y6 children took their SAT's tests. Each and every-one of them tried their best, showed great endurance and managed the experience so well! We are very proud of all of them and what they have achieved, particularly over the last few months. They celebrated the end of SATs today and have enjoyed time outside on the field. A huge thank you to all of the staff who ensured our children were well supported, but particular thanks to Jackie Sawers, Marina and Mr Lyons. On Sunday morning, they will set off on their journey to PGL in Osmington Bay and we hope they have a wonderful 4 days. Please can the children arrive at school at 10:00am to allow time for registration and all-important medicine handover to Marina in the main hall.

A huge well done to Y1 who led our Celebration Assembly this morning. They performed the story of Rapunzel brilliantly and it even included a karate kick from Dorothy! The children were confident and they clearly enjoyed having the opportunity to perform in front of their parents. Well done to all of the children (and adults) who received their Honour Awards this morning. They should be very proud of what they have achieved over the past week.

As I mentioned last week, we have the EYFS Festival on Saturday 7th June at 10am which is suitable for children aged 2 to 5 years old. Please contact the school office to reserve your ticket for the event, and share this information with any friends or family who you think may be interested. On Friday 20th June at 7pm we have the PTA Quiz Night which we hope you can attend, and thank you to those of you who have already purchased tickets on Parent Pay. The Summer Festival will be on Friday 18th July on the school field. There will be a concert on the school field at 2.30pm which all children will participate in, and parents are invited to attend. We would obviously appreciate your support on the day to set up the event from 1pm.

Lastly, we will be selling ice lollies and fruits shoots on the KS1 playground from 3.15pm on Friday next week. All money raised will go towards covering the cost of the Year 2 trip to beach in July. I hope you have a lovely weekend.

Mr Styles

YEAR 6:

SATs, Trips and Sweet Smell of Summer

Well, well, well – look who’s just survived SATs week with flying colours, a mountain of toast and only mild pencil-induced stress! That’s right, Year 6 have absolutely smashed it this week, showing resilience, focus and the kind of steely determination usually reserved for Mr Styles and Ms Cardy trying to get Taylor Swift tickets. We could not be more proud of every single one of them.

After weeks of arithmetic acrobatics and grammarsaurus revision, we’re delighted to say: the end-of-year light is shining bright at the end of the tunnel. We’re now entering the golden phase of Year 6 — the fun, the farewells and the final memories of primary school life.

Next stop: **PGL!**

This Sunday, we set off on our legendary adventure to PGL. Here are the key details to ensure everything goes smoothly:

Please **arrive at school from 10:00am** to allow time for registration and all-important medicine handover to the ever-organised Marina.

Children can bring **£10 in cash**, sealed in a named envelope, for the PGL shop. If this hasn’t already been handed in, please give it to Mr Lyons on Sunday morning.

The coach will be **departing promptly at 10:30am**, so please don’t be late – unless you fancy chasing a coach full of 11-year-olds down the road.

Parents are very welcome to stay and wave us off. Tears optional.

It’s going to be a brilliant trip full of laughter, challenges and probably a lost sock or three. Thank you for your support through this intense term — the best is still to come.

Regards from in SATs recovery and suitcase overpacking,

The Year 6 Team

Life in Reception

There is only one week left of this half term and what a half term it has been! It is so wonderful to see the metamorphosis of our little learners into the fantastic butterflies they are, drying their wings and getting ready to soar off to Year One!

In literacy we have been looking at “The Bad Tempered Ladybird”. We have been learning how to describe a main character as well as the features needed to create a great story. Stories need a setting or place, main characters and something to happen. We have also been talking about what makes us angry and what we can do to calm down if we feel like that. The Bad Tempered ladybird doesn’t handle his anger very well in the story. If the Bad Tempered Ladybird had had Reception along to advise him, he would have got to those delicious aphids much quicker!

Next week we will be having a great time as we learn to rhyme! It will be sublime. Hopefully we can do it all the time! We will be reading Superworm! Why is this book fun to listen to? What words does the author use to rhyme? Are they always spelt in similar ways? Why don't you try playing a rhyming game?

Have a great weekend!

Ms Moulder & Kat

Life in Nursery

This week in Nursery, we continued our exciting exploration of bugs! The children loved listening to stories such as *The Very Hungry Caterpillar*, *Oscar and the Frog*, and *Bug in the Rug*. We were fascinated by the magical transformations in nature—watching how a caterpillar becomes a butterfly, how tadpoles grow into frogs, and even discovering what baby ladybirds (larvae) look like.

To our surprise and delight, we found lots of ladybird larvae in our garden! It was a wonderful opportunity for hands-on learning and observation.

We also spent time learning about healthy and unhealthy eating. After seeing what happened to the *Very Hungry Caterpillar* when he ate too many treats—he got a tummy ache!—we had lots of great conversations about making healthy food choices.

Looking ahead to next week:

We'll be reading the traditional tale *Little Red Riding Hood*, and on Wednesday, we're looking forward to a special visitor who will teach us all about oral health and how to brush our teeth properly.

Have a lovely weekend,

Ilga

- On rainy days: Pack a waterproof coat and wellies if necessary.
- Please bring any medication the child need

Let your child's imagination run wild! Secure your spot today! 🌟🌟

Reading at Holy Trinity

Books for Birthdays

A HUGE thank you to everyone who has already contributed books for birthdays so far this year.

Please could all book donations go to the school office as this provides a central dropping off point and will ensure that your child does not miss their special birthday shout-out in the newsletter.

The books will be registered and then taken to the library from there. Thank you for your continued support. If you would like to contribute a book to the school here is the link:
